Christmas Cards - There's a bundle of cards in the Fellowship that still haven't been collected. We will be removing them at the end of next week, please check to see if any are yours.

If you're new to the church you may not realise there are some pigeon holes near the welcome desk - these are marked A- Z Occasionally information may be left there for you to collect.

"Do you want to join a small group?"

This month small groups will start studying Philippians using Discipleship Explored so this would be an ideal time to join one. This series will refresh and challenge us on how we live as Christians. A great way to start the new year!

If you are interested please contact Helen Riley on hrileystjohns@gmail.com or via the church

CSW: Nigeria

Nigeria is preparing for a general election next month. Election season can be extremely volatile, and since the last elections the levels of insecurity have risen across the country. Two factions of Boko Haram terrorists are challenging government forces in the north-east, with reports at the time of writing of an Arabic speaking armed group infiltrating Sokoto State. Kidnappings for ransom have also increased. Please pray for the nation during this time.
