St. John's Church

At St. John's we believe that when God calls us to follow Jesus we are then called to serve him. Our vision as a church is to grow the church and deepen our commitment to Jesus Christ and this will require all of us to prayerfully seek ways to serve God's mission.

There are a great variety of ministries at St. John's so we hope that you can find an area to serve in which you feel encouraged, equipped and fulfilled. Our teams provide an opportunity for everyone to use their gifts, abilities and passion to make St John's a place where people encounter God and find community.

You can be a part of making that happen!

Our hope is that when you become part of a team you will feel connected to the life and vision of the church, as well as feel enriched and encouraged in your own faith. It is also a great way to get to feel part of the family!

Please check with the contact person as to what the commitment is likely to be and chat as to whether this the right fit for you. You are not signing up for life though!

If you feel you can serve in a way not mentioned in this booklet, please get in touch to discuss further.
